After illness, injury or surgery, it's important to regain strength and independence – so you can get back to work, play, and the little things you do every day.

Vermont Sports Medicine Center (VSMC), a provider of comprehensive outpatient physical and rehabilitative therapy services, helps more than 700 individuals yearly recover from injury and illness, rehabilitate after surgery, and experience relief from chronic conditions.

VSMC also works with area organizations and employers to encourage wellness education, promote safe work practices, and prevent injuries.

With four convenient locations in Brandon, Castleton, Killington and Rutland, VSMC is equipped to offer a wide range of specialized services throughout Central Vermont. No matter where you live or work, you'll find VSMC close by.
